Over 49 Years of Lighting Excellence

### Cougar Lighting History

Cougar Lighting began in a 55 Square metre factory in Norwood, South Australia in 1975. We then moved to a larger premises in West Lakes by the late 1970's, as our market expanded interstate.

With the introduction of its Colonial and Federation ranges in the early 1980's Cougar then shifted to Windsor Gardens. Cougar also invested in a an Electro Plating plant at Para Hills to keep up with demand of its "Made In Australia" product. In the late 1980's Cougar then moved its factory to Salsibury South and invested in metal spinning and wood lathes.

In the middle of the 1990's Cougar Lighting then moved to Golden Grove where at its peak employed 55 staff members. The market then started changing with the onset of imported products and the move towards more modern styles of lighting. The landscape of Lighting was changed forever.

In October 2008 we shifted into our new warehouse at Pooraka, South Australia. At over 3,500 square metres our new warehouse is 3 times the size of our previous warehouse at Golden Grove. This new premises with state of the art warehouse and office facilities will further allow us to continue to supply you, our valued client, with the level of service that you have become accustomed to when dealing with Cougar Lighting.

49 Years of Lighting Excellence

Cougar Lighting remains and still is a family owned and operated company.
